James, sounds like everything is moving along. I'd like to suggest that you check with the Los Angeles County Health Department for information on Health requirements before reaching out to Food Trucks and Street Food Vendors. I believe that trucks and street food vendors need access to toilets and running water. Food trucks and street food vendors have separate requirements.

Before the email: The MOST IMPORTANT STUFF

Meeting with City Hall on TUESDAY 8/29 @ 2:00PM

- **Why? To ask to close 2nd street on the 28th for a Halloween Friendly Street**
- **When? THIS coming Tuesday 8/29 @ 2:00pm**
- **Where? Meet at Cafe Dulce @ 1:30 PM and we will walk over together**
 - **Or meet us there: City Hall, 4th floor, media room**
- **Who? THE MORE THE BETTER**

Hi All,

Quick updates from our last phone call:

- Movies are confirmed but confirming the details.
 - Kids:
 - Kiki's Delivery Service (@ jvp 10/14)
 - Totoro & Friends (@ JACCC Plaza 10/28)
 - Adults
 - Hausu (@ EWP 10/13)
 - Ju-On (@ EWP 10/21)
 - Ringu (@ JACCC Plaza 10/28)
 - Quick question / concern: Will it be okay if we screen these when it's still light out?
 - Also: Do we want to screen Ringu on that Sat when we have all the other stuff going on? Or should we keep it the Friday before
- Pumpkin Patch & Related Activities
 - Giving Randy some breathing room because he's busy with Nisei Week
 - We'll need to firm up these details soon after so we can start firming up other activities surrounding the Pumpkin Patch
- Ben's been doing some heavy lifting for us via Anime Club. Ben we'll get back to you on promos.
 - Also, we will definitely do the corn maze if we can secure the funding for it.
- Night life
 - for the 28th - instead of having one central "party" we thought it would be better if we had wrist bands for a more formalized bar crawl.
 - Idea in short: Pay/Pickup Wrist Bands @ a central location, go to participating bars where you get free entry(?) plus one promotional drink for free. Thought we could have Wolf & Crane, Baldoria, Seoul Sausage, Tokyo Beat, and Far Bar? Any others are welcome to participate.
 - If we do get 2nd street closure confirmed we'll start reaching out to food trucks and/or street food vendors.
 - Now that we're having specific venues for the bar stuff could we get alcohol sponsors?
- Ryan Furuya has been working on logo design and will have a mock poster for us to present to the City on the 29th.
- We need some people to help us reach out to the businesses on 2nd street to "sign off" on this event. HELP. Going to beat the pavement on Monday.
- Anyone have people they could reach out to for sponsorship?
 - Going to reach out to Union Bank, Chase, Metro for starters.

If I missed anything of you'd like to add to the discussion please do here.

Thanks all!
james.
